Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

Read more about Early Journal Content at http://about.jstor.org/participate-jstor/individuals/early-journal-content.

JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

ECOLOGY

CONTINUING THE PLANT WORLD

OFFICIAL PUBLICATION OF THE

ECOLOGICAL SOCIETY OF AMERICA

VOLUME II, No. 1 JANUARY, 1921

CONTENTS

The Reactions of Plants to New Habitats.....D. T. MACDOUGAL 1
The Dust of the Gobi.....JACQUES W. REDWAY 21
Problems of Floral Dominance in the Open Sea.....W. E. ALLEN 26
Distribution of the Large Water-Strider Gerris remigis Say Throughout a River System.....C. F. CURTIS RILEY 33
Some Factors in Evergreenness in the Puget Sound Region..GEORGE B. RIGG 37
Effect of a Late Spring Frost upon Forest Vegetation in the Wasatch Mountains of Utah.....CLARENCE F. KORSTIAN 47
Abundance of the Mosquito Destroying Top-Minnow, Gambusia affinis, Especially in Relation to Male Frequency....R. L. BARNEY and B. J. ANSON 53
Ellis L. Michael and his Scientific Work.....W. E. RITTER 70
Reviews 73
Notes and Comment 76

The pages of Ecology are open to papers of ecological interest from the entire field of biological science.

Manuscript offered for publication should be typewritten, and **should be submitted** to the Editor-in-Chief or to a member of the Editorial Board. A reasonable number of illustrations and diagrams will be accepted without cost to the author.

Proof should be corrected immediately on receipt and returned at once to the Editor-in-Chief. Reprints should be ordered when proof is returned. Fifty copies, without cover, are supplied free; cover and additional copies at cost.

Correspondence concerning editorial matters should be addressed to the Editor-in-Chief, at the address given above.

Subscription price, $3.00 a year. Single copies 75 cents. Postage to Canada 20 cents a volume on annual subscriptions; to all other countries in the Postal Union, 40 cents a volume on annual subscriptions.

Missing numbers will be supplied free when lost in the mails, and when written notice is received within one month of the date of issue.

Remittances should be made payable to ECOLOGY.

Business correspondence, including subscriptions, change of address, back numbers, and discontinuances should be addressed to ECOLOGY, 41 No. Queen St., Lancaster, Pa., or Brooklyn Botanic Garden, Brooklyn, N. Y., U. S. A.
